

XXXXXX

18/03/2022

The figure consists of six horizontal rows of small black squares. Each square represents a data point. The first four rows are continuous and each contains 60 squares. The fifth row starts with 60 squares, followed by a gap of approximately 10 units, and then continues with another 10 squares, making a total of 70 squares for that row. The sixth row is not visible.
